My first day of school

Walking around the beautiful campus, rushing to classes, and meeting new people!

Studying in Waseda was a great experience overall :)

< the highly
anticipated
baseball match

Waseda vs Keio

We managed to catch some exhilarating sporting events of the heated match-up between Waseda and Keio, which I soon learnt is a decades long rivalry!

^ American Football!

Regatta >

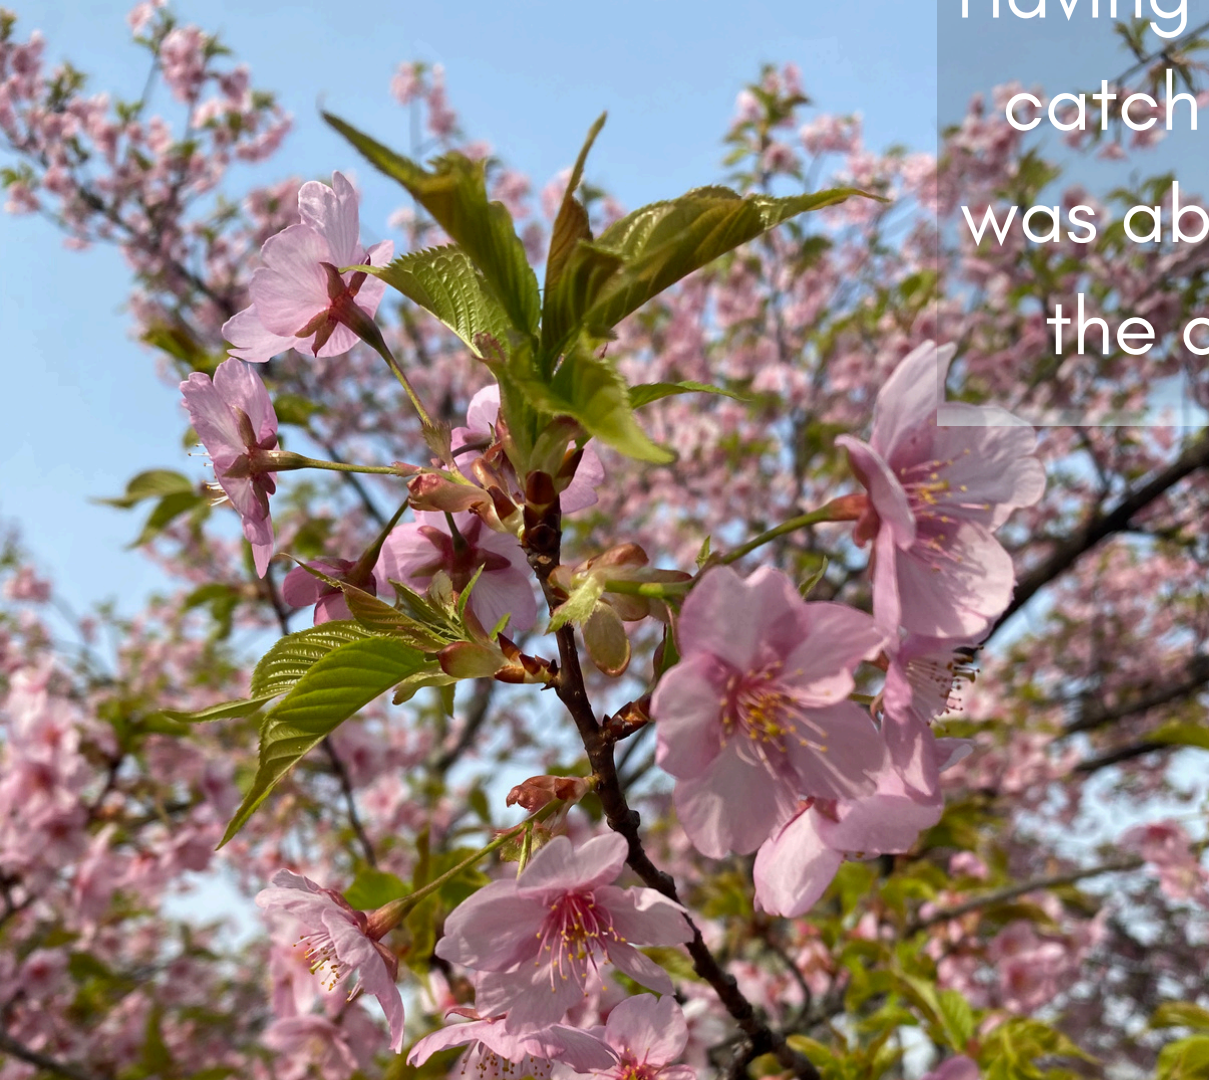

It was so fun learning all the cheers and the school song!

Spring

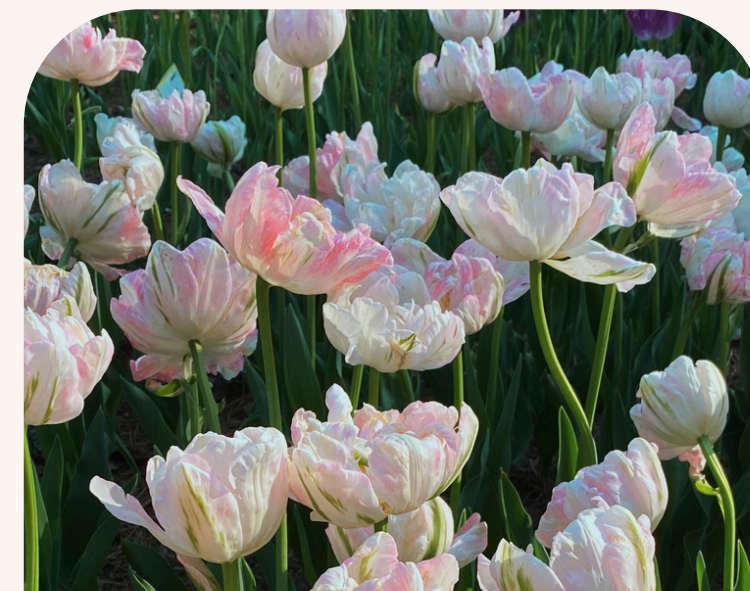

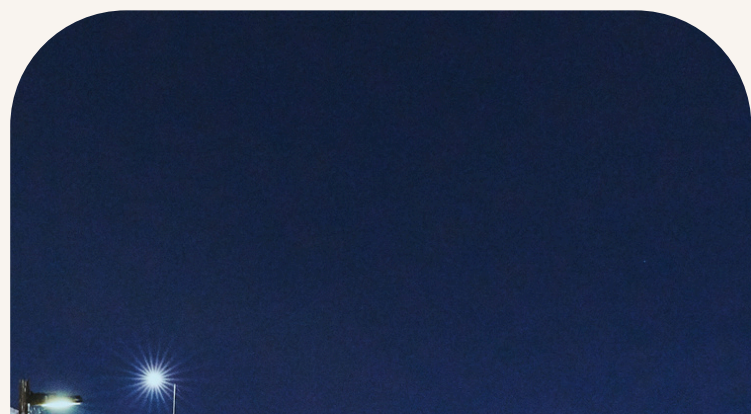

Having landed in Japan in March, I was lucky enough to catch all the beautiful flowers and cherry blossoms. I was able to go on multiple picnics with friends to enjoy the cherry blossoms, also known as 花見 (hanami)!
